Dear Bill,

This is to conferm your reception of WAKR on July 15, 1986 between the hours of 2:24am and 2:36am. Our frequency is 1590khz and our power output is 5000 watts day and night with a directional pattern at night.

Our affiliation is with the Mutual Broadcasting Network which is where the Larry King show originates. Our city of licence is Akron Ohio where we have been since 1940. The farthest reception report which I received since I have been here has been from west Germany. Studio and transmitter sites are seperate.

Our format is adult contenporary with a high emphasis on news. Our sister stations are WONE FM Akron Ohio, WAQK/WXYV Baltimore Md, KMEZ AMand FM Dallas Tx, WONE AM/WTUE Dayton Ohio, KLZ/KAZY Denver Co, KFOR/KFRX Lincoln Neb, and KWTO AM and FM in Springfield Mo. The name of our company is DKM Broadcasting Corporation which has aquired WAKR November 1, 1986 from Group One Broadcasting Company.

I hope that I have answered all your questions to your liking and I thank you for your interest in WAKR radio.

Sincerely Yours
Glenn R Foldessy
